The **Hartsdale Fire Department** is proud to announce our annual **Operation Candy Cane,** which will take place rain or shine on **Saturday, December 14th 2024, from 9am – 1pm.** Off-Duty Hartsdale Firefighters will spread Holiday Cheer by escorting Santa Claus around the community in a Fire Engine Sleigh handing out Candy Canes to all attending children & adults.

Printed below is a full list of Stops & Times. To ensure everyone is at the correct location awaiting Santa's arrival, the Location Marker Signs shown below will be posted at every stop.

Due to the busyness of Santa's schedule, please allow for some flexibility with our estimated arrival times. If you can't make the posted time for your neighborhood - you can always try and meet up with us at another posted stop!

We ask that all children be accompanied by an adult, stay clear of the fire engine, and arrive at the designated locations 5-10 minutes prior to the posted times.

For more information regarding Operation Candy Cane, updates, or for more interesting information about the **Hartsdale Fire Department's** services, news, activities, fire safety, and fire prevention please check out our website at hartsdalefire.org. and follow us on Instagram at @hartsdalefire.

We want to wish everyone a safe and healthy Holiday Season…!
